MESSAGE

I am very pleased to learn that Healthcare Federation of India is conducting its 4th annual event – NATEv2017 on 24th March, 2017 at New Delhi.

NATHEALTH is unique platform that brings together all stakeholders of health of the nation, making them to come together and work along with policy makers to create an environment that will power the next wave of health innovation and services. It is the forum that will facilitate the shift in mindset, delivery and decision making towards building a better and a healthier future.

Felicitations to NATHEALTH and its dedicated team for their years of service and success. I also congratulate the organizers and the participants of the Conference and extend my best wishes for its success.

(C.K. Mishra)
