

# NHA signs MoU with NATHEALTH Healthcare Federation of India

**PBD BUREAU**

**NEW DELHI, AUG 9**

HIGHLIGHTING the critical role of innovations in achieving the goal of Universal Health Coverage through programmes like Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana (PM-JAY), its implementing agency National Health Authority (NHA) has signed a Memorandum of Understanding (MoU) with apex healthcare industry body NATHEALTH- Healthcare Federation of India.

The partnership will aim to create open platforms such as universi-

ties, start-up incubators and accelerators, private industries, investors (private capital, grant-giving organisations and foundations) that will enable engagement between different types of innovation organisations.

Dr. Indu Bhushan, CEO, National Health Authority, said "NHA enthusiastically looks forward to this partnership. With the implementation of Ayushman Bharat PM-JAY, it is paramount that we increase the efficacy of the health service delivery such that we can provide an increased access to high quality of care. We have been witnessing a pletho-

ra of healthcare innovations happening across the country and it is crucial to empower them by providing the right support.

Dr. H Sudarshan Ballal, president, NATHEALTH said, We will be assessing these innovations from all perspectives within industry and connected innovation landscape.

This initiative also aims to enable healthcare innovations to access private industry support, funding from private capital and other funders, and mentorship from clinical, technology and business experts."
