

# Roadmap of Regional Roadshows

June '23–February '24

Collaborate for NATHEALTH 3.0 Journey to success

## Roadmap of Regional Roadshows

Collaborate for NATHEALTH 3.0 Journey to success

### Background:

NATHEALTH believes that there is a compelling need to create a platform conducive to meaningful dialogues that pave the way for collaboration among various stakeholders. With this objective, NATHEALTH will be facilitating the organization of regional summits/roundtables to steer the most critical conversations in the Indian health ecosystem and influence strategic healthcare agenda.

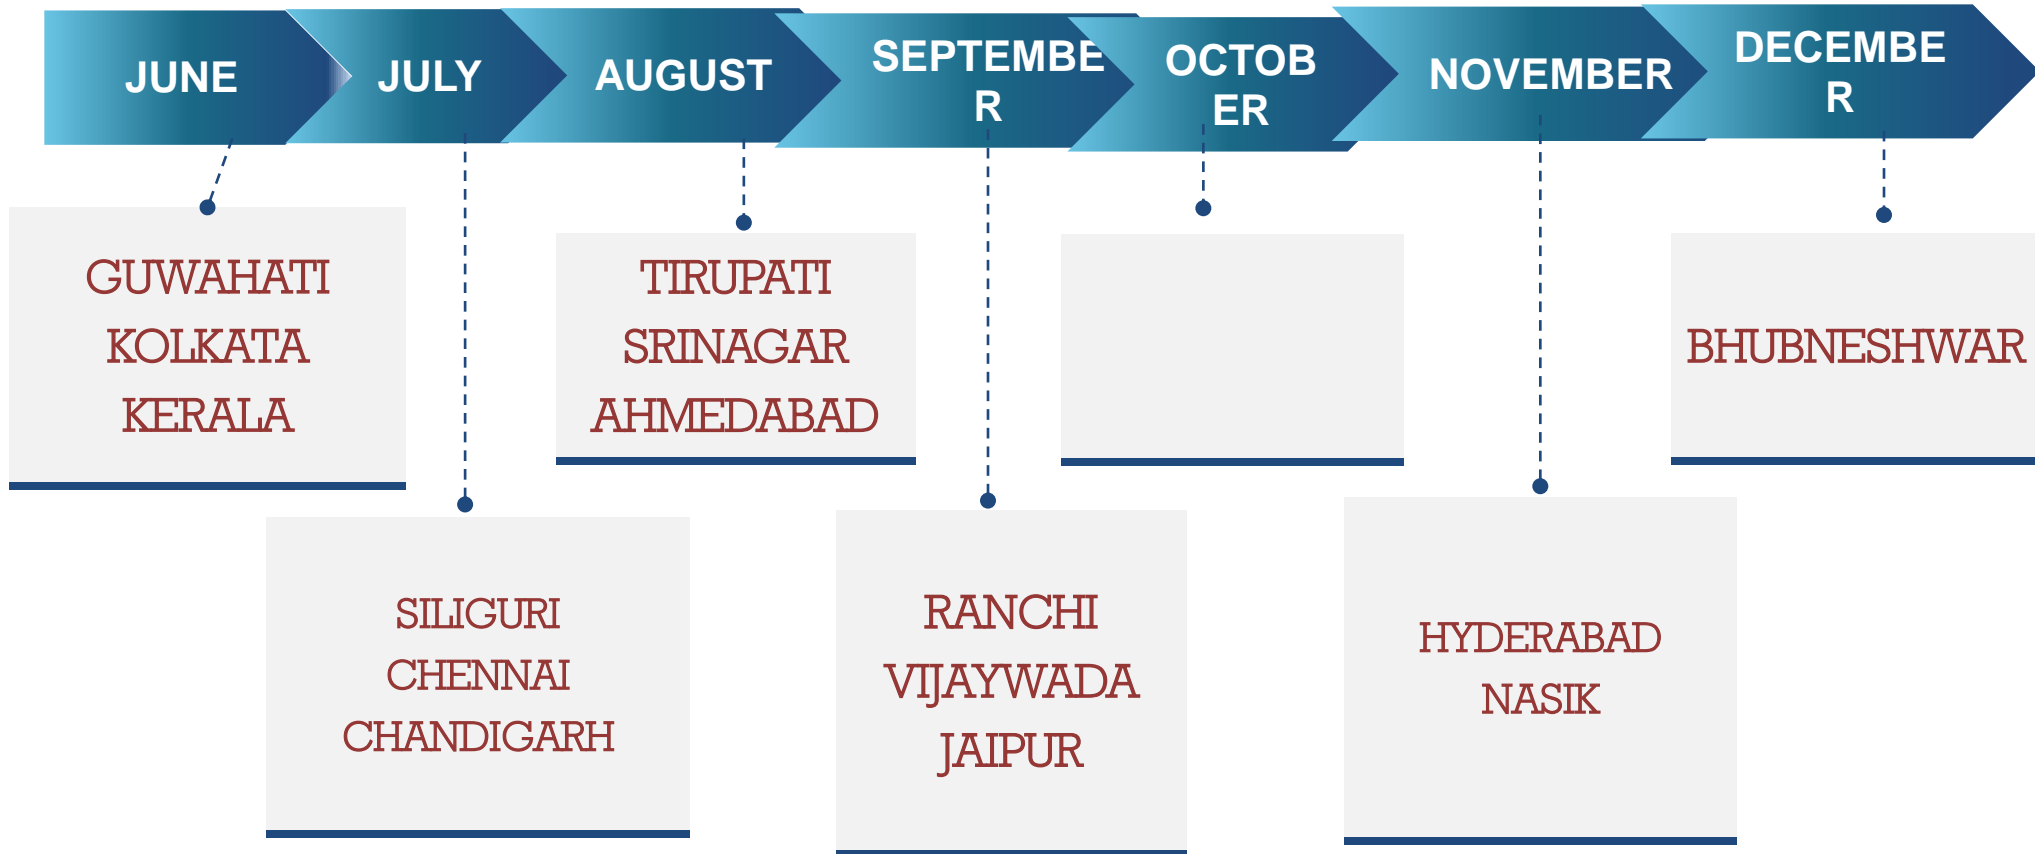

# Roadmap of Regional Roadshows

Collaborate for NATHEALTH 3.0 Journey to success

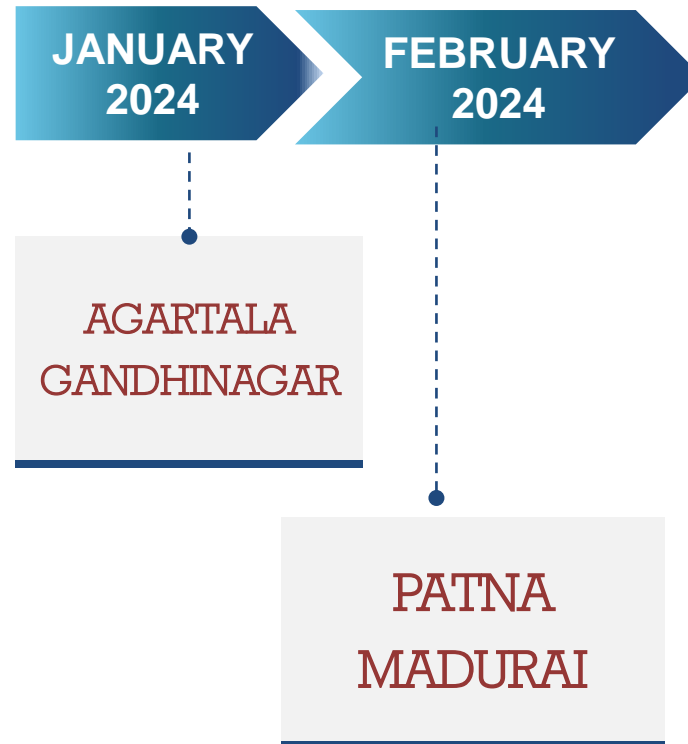

## Key Objectives:

1. Increase participation and memberships all across India
2. Engage the existing members and connect with local leaders to learn about their concerns, share best practices, and discuss solutions.
3. Garner support of the government at regional level to address challenges
4. Create State charter core groups within the government to set priorities and drive the healthcare agenda
